

Flight Train Monroe

AIRCRAFT RENTAL POLICY

Flight Train Monroe takes pride in the current Cessna 172 (N5283R) aircraft that is available to rent and is committed to maintaining the aircraft to the highest standards. The aircraft is inspected every 100 hours and is equipped with an IFR certified WAAS GPS/COM – Garmin 430W. A new Factory Rebuilt Lycoming O320-E2D engine was installed on February 15, 2015. The aircraft is insured with a \$1,000,000.00 commercial liability policy which includes \$100,000.00 student & renter pilot liability.

The current hourly rental rate is \$110 per hour and is due at the completion of each flight.

- A rental discount is available for pre-paid block time:
Pre-Paid Aircraft Block Time Rate = 10.0 hours @ \$105 per hour = \$1050.
- A minimum 2-hour per day rental charge is due when the aircraft is reserved on the Wiggin scheduling calendar for greater than 10 daylight hours. To avoid this 2 hour per day minimum charge, please remove the scheduled long term reservation at least 24 hours prior to the proposed departure time.
- If the scheduled flight is canceled at the last minute due to weather conditions, the minimum 2-hour rule does not apply.
