

SCHEDULING CALENDAR INSTRUCTIONS

Flight Train Monroe uses Team-Up.com to manage all aircraft flight reservations. Using the Team-Up Calendar, members can make an aircraft reservation and post messages and events so that all other members can view.

The link below will take you directly to the Flight Train Monroe scheduling calendar for N5283R.

Be sure to save this link to your favorites so that you will be able to access it easily in the future. An app is available for your smart phone – download the Teamup Calendar app from the App Store and enter the FTM calendar key ... ksn2jb48wfdmyoahr6.

The screenshot shows a web browser window displaying the 'Cessna 172 Scheduling Calendar' on Team-Up.com. The browser's address bar shows the URL 'teamup.com/ksn2jb48wfdmyoahr6'. The calendar interface includes a navigation bar with 'October 2017' and a 'Scheduler' dropdown menu. The main calendar grid shows dates from Sunday, October 1st to Saturday, October 7th. Events are listed as blue bars with names and times. For example, on October 10th, there are events for 'Sam & Franckum/Etheridge' at 8am, 'Sam & Morris (Max Morris)' at 8am, and 'Sam & Franckum/Etheridge' at 8pm. On October 15th, there is a '7:30am Wilson' event. On October 22nd, there is an '11:00am Schnabel' event. On October 27th, there is a '1pm Dupree' event. On October 31st, there is a '9pm Hitchcock' event. The calendar also features a sidebar with 'All Calendars' and 'Filter' options. The bottom of the screen shows the Windows taskbar with the time '8:38 AM 10/10/2017'.

A special request from Rodney Etheredge

If you are scheduling an aircraft reservation and a dual flight training appointment, please list the event name with your last name/Etheredge and send me a text message to confirm that I am available for the specific flight date and time. Thank You!
